Lent: A Season of Grace with Fr. Cedric Pisegna

Episode 1: The first week of Lent: **Lent: A time of conversion:**

The first week of Lent invites us to go deeper. Lent is a season of grace. Our goal is purification and enlightenment. Like Jesus we journey to the desert and experience conversion: movement towards God.

Episode 2: The second week of Lent: **Be Enlightened:**

The second week of Lent we journey from the desert to the mountaintop. This vision gives us a compass for the direction we are heading. Jesus' transfiguration fortifies us to face our difficulties. We come to a new identity as we discover our divine self also.

Episode 3: The third week of Lent: **Purpose Driven:**

Jesus speaks with tough love calling us to repentance. We need to make a move and bear fruit through communion with God, allowing the Spirit to work in us and by adding value to others. Through the work of the Holy Spirit we discover our purpose

Episode 4: The fourth week of Lent: **Make a Move!**

Jesus' genius was storytelling. The narrative of the Prodigal son was arguably his best. Lent is a time to make a move and go forward. There is great joy in heaven when you surrender your life to God.
